3. Crown Tournaments

- c. Crown Tournament will be held alternately in the regions of the East Kingdom according to the following schedule:

Even (modern) years: spring/Tir Mara, fall/North

Odd (modern) years: spring/South, fall/Central

- i. Priority shall be given to bids from any branch, group, or individual within the scheduled region which has not sponsored a Crown Tournament within the previous four years.
- ii. If no acceptable bid within the scheduled region has been received by the deadline, the Heirs and the Kingdom Seneschal may choose the branch, group, or individual They feel is best able to sponsor/host Crown Tournament. In such a case, the rotation among regions will continue as if the Crown Tournament had been held in the proper region.
- iii. To ensure the validity of a reign in the case of a victor's or consort's inability to cross the United States/Canadian international border, the rotation for that reign's Crown Tournament may be changed, in consultation with the Kingdom Seneschal, as long as no bid for that Crown Tournament has been approved and placed on the Kingdom Calendar up to the day of the Crown Tournament in which they are victors. The rotation among regions will then continue as if the Crown Tournament had been held in the proper region.
