

Greetings to all who see these words.

The Eastern Consules Tindal and Alberic will hold Curia on Sunday, 27 September 2020, at 10:00am conducted ethereally in accordance with SCA, Inc. guidelines  
Zoom link / dial-in: see below

An agenda and details of the proposed changes are on the Seneschal's website.

### **SPECIAL NOTES - ETHEREAL CURIA**

This Curia is happening earlier in the reign than usual to address an upcoming deadline in EK Law. There may be another Curia later in the reign, if Their Majesties determine that it's needed.

Curia will not be recorded, just as live Curiae aren't.

The EK Webministry has graciously offered to serve as Mute-Monitors, to help keep the background noise at a minimal level by helping everyone in the meeting stay muted when they're not the recognized speaker. Please remember to keep yourself muted!

There will be designated Speaking List moderators. Gentles who wish to speak in Curia will note that in the chat. The moderators will keep the list and keep order among the speakers. Because the chat is essential for tracking speaking requests, the Consules request that it not be used for commentary or side conversations.

EK Law grants certain offices and persons the right to speak and be heard by the Crown in Curia:

- The Heirs of the East Kingdom
- The Coronet and Heirs of Principalities of the East Kingdom
- Greater Kingdom Officers
- Lesser Kingdom Officers
- Local Branch Seneschals
- East Kingdom Royal Peers
- East Kingdom Territorial Barons and Baronesses

These gentles are most earnestly requested to participate in the Curia meeting \*via their official eastkingdom.org email account\* to make it easier for the Speaking List moderators to identify them and ensure that their words reach the Crown. (If you won't be able to do that for this Curia, please send word to the Clerk of Laws soonest, so the Seneschal and the Speaking List moderators will be able to identify you in the meeting. lawclerk@eastkingdom.org)

There will be designated blocks of time for members of the populace to speak, so that their words also reach the Crown. Everyone who has an eastkingdom.org email account is encouraged to join the Curia meeting using that account so the Consules, Seneschal, and Speaking List moderators may address you properly. (If technology access makes calling in by phone your best option, please contact the Clerk of Laws before Curia with the number you will be dialing in from so that you can be properly identified. lawclerk@eastkingdom.org)

## Joining the Curia Meeting

Officers and gentles who hold seats in Curia by EK Law (the list above) are requested to join the Curia meeting as close to 9:30am as possible. The meeting hosts will be watching for your official eastkingdom.org addresses so we can cross-check our lists. Members of the populace will be asked to hold in Zoom's waiting room until approximately 9:55am, so we can make sure that those who must be at Curia have arrived. We appreciate everyone's understanding of the constraints.

The Consules and the Seneschal appreciate everyone's efforts to support this new Curia format. We're all especially appreciative of the efforts and support of the EK Webministry, for making this possible and even making it look easy.

in service,  
Baroness Eadgyth aet Staeningum, OP  
Clerk of Laws
